Health Camp Life No Lure

Part-time panhandlers, enjoying relative luxury in San Francisco under the federal government's $20 monthly cash allowance, today presented a new obstacle to the "health camp" at Sharp Park, scheduled to be opened by SRA within two weeks.

The barracks in the canyon above the golf course at the Coastside community may thus be empty, except for the hired personnel, according to Harold E. Pomeroy, state relief administrator.

The situation represented something of a bitter pill for the state director, for no sooner had construction started than Coastside residents made it plain that they did not want the camp. Now, according to reports from Howard St., the men for whom it is being built will shun it too. The health life aspect holds little appeal, it is reported.

Dissension in the ranks of the panhandlers is supported by labor organizations which contend that union men on direct relief should receive cash rather than be required to live in camps without a cash dole.

Reluctance of some "clients" to leave the scene of their fruitful panhandling activities presented another difficulty, Pomeroy said. The "underground campaign" against the camp presents a "formidable problem," he contends.

HATCH IN DRESSING GOWN

SOUTHEND, Eng. (AP)—Spring has come to Southend. A native reports that five baby robins were hatched out recently in the pocket of his dressing gown hanging behind the bedroom door.

Safety Record Made By Delivery Firm

Having operated 26 motor vehicles a distance of 312,000 miles throughout the entire year of 1937 without a traffic accident, the Burlingame Branch of the Borden Dairy Delivery Co., which serves Redwood City and vicinity, has been, for the second consecutive year, awarded a bronze plaque for making the best driving record of all Borden units in the state.

The plaque was presented to E. J. Cox, county manager, by I. R. Daly, the firm's secretary treasurer. In addition, C. A. Buck, chairman of the San Mateo County Safety League, and Burlingame Police Chief John J. Harper presented five year safety pins to seven drivers; a four-year pin to one driver; three-year pins to two; two-year pins to three, and one-year pins to four drivers.

Drivers who have had no accidents for five years are—Ralph Bays, Frank English, Jack Flaherty, Roy Gunzenhauser, Rudy Gorman, A. Portnoff, Al Spring; for four years—Jack Reading; three years—Frank Clazie and Al Weimers; two years—Ray Jones, Carl Metz and George Miehle; one year—Joe Bondi, William Edwards, R. Gustafson and Don Kreiss.

First aid advance certificates were awarded by Miss Helen Percy Chesebrough to Frank Anderson, Jack Flaherty, George Miehle, Earl Almquist, Frank Clazie, Roy Gunzenhauser and John Verser.

Mrs. Ella Van Why Is Up for Sentence

Ella Van Why, Belmont divorcee charged with operating a $20,000 confidence game, will be sentenced on a grand theft charge by the superior court of Los Angeles County at Pasadena tomorrow, according to Asst. Dist. Atty. Daniel E. Sullivan. Outcome of the Los Angeles case may determine future action on a grand theft complaint against Mrs. Van Why in San Mateo County, Sullivan said. The complaint here was signed by Dr. H. W. S. Hayes, Community Hospital superintendent.

Make Most of Holiday

An outing in such surroundings as this couple is enjoying is one of the most pleasant ways to utilize the prolonged week-end afforded this year when Decoration Day falls on Monday, according to the local Western Auto manager. He adds that special sale prices on many touring and camping needs are in effect at his store during a 9-day Pre-Decoration Day Sale that ends Saturday, May 28.

Coastsider Warned In 'Squatting' Case

Charles D. Farrell, alleged "squatter" at Manhattan Beach near Half Moon Bay, appeared at the district attorney's Wednesday morning for questioning. Asst. Dist. Atty. Daniel E. Sullivan said he warned Farrell that he had no right to charge admission to the public beach, that he had no right to fence the subdivision, and that he had no right to plant his crops on the public streets of the subdivision.

Insurance Benefits Boosted by Plant

Effective immediately, hourly-paid employes at the local Johns-Manville plant will get increased insurance benefits in cases of sickness or accidents occuring outside the plant at no additional cost to themselves, Manager E. S. Hurrell announced this week.

The company has made arrangements with the Metropolitan Life Insurance Co. under its group insurance plan whereby all insured employes will have their sickness and accident insurance benefits increased from $1 to $2 a week, depending on hourly earnings. The benefits are for periods of 13 weeks.

Accidents in the plant are covered by state industrial insurance benefits.

The two plans give J-M employes health and accident insurance protection both inside and outside the plant.

Benefits formerly started at $7 and went up $14 a week, depending on the hourly earnings of the individual employe. The new benefits range from $8 to $16 a week during 13-weeks disability.

For this protection, the employe pays only 10 to 20 cents weekly, depending on his earnings. The company pays all the rest of the insurance premiums.

East Palo Alto Man Attacked, Hurt by Friend

J. R. Gray, 58, Feared In Serious Condition At P. A. Hospital

J. R. Gray, 58, 679 Cherry St., East Palo Alto, was the center of a series of investigations today as a four-day-old assault case came to light in the sheriff's office.

Gray, critically injured and for a time near death at Palo Alto Hospital, was attacked by a neighbor, he told Asst. Dist. Atty. Daniel E. Sullivan.

Sullivan was astounded to learn that no effort had been made by the sheriff's office to arrest Gray's alleged assailant.

According to Dep. Sheriff Thomas F. Maloney, who handled the preliminary investigation, Gray did not appear to be seriously hurt. He said the sheriff's office was waiting for the district attorney to prepare a complaint.

TAKES HOSPITAL STATEMENT

Gray's condition was so serious Saturday afternoon that Sullivan was summoned to the hospital to take a statement, he disclosed. It was feared that the man might die from a skull fracture, concussion, and a possible blood clot. Gray was reported to be improving today.

Gray, in his statement to Sullivan, named Douglas K. Jamieson, a neighbor and disabled World War veteran, as his assailant. He said he previously had refused to hire Jamieson to spade his front yard at a price of $15, offering $5 instead. Jamieson refused the lower figure, Sullivan reported Gray said.

Jamieson returned Thursday at 5:45 p.m., according to the sheriff's report, while Gray was painting his house.

CLAIMS HIT WITH BRICK

Gray descended from a ladder and Jamieson struck him first with his fists, then with a building brick, the injured man said.

He defended himself with a hoe, fled into his home, and collapsed.

Sullivan said he had sent word to Mrs. Gray to come to the district attorney's office to sign a complaint charging Jamieson with assault with a deadly weapon.

Should Gray die the complaint would be for murder, Sullivan said.

M. P. Chief Gains Position in Idaho

MENLO PARK, May 17—Chief Thomas Cuff of the Menlo Park Fire District has been granted a year's leave of absence, effective June 15, to permit him to take a position in Lewiston, Ida., where he will direct reorganization of the fire department.

This was announced today by the board of fire commissioners, which appointed Asst. Chief Elmer F. Hara as acting chief during Cuff's absence.

Jack Freund Manages New Meat Department

Sam Larussa, manager of the new White Oak Market at 1600 El Camino Real, San Carlos, has announced that Jack Freund is manager of the meat department. Freund formerly was with a market in Redwood City.

'DOCTOR RHYTHM' AT SEQUOIA

Oh yes . . . it's true, Bing Crosby has a tonic in store for you . . . and you . . . and you, musically speaking, in the best Crosby picture since "Waikiki Wedding." "Doctor Rhythm," in which Bing is starred with Mary Carlisle, will show on Sunday, Monday and Tuesday.

LOCAL FIRMS JOIN OBSERVANCE OF NATIONAL ICE CREAM WEEK

like to eat it. Ice cream is not considered a food but rather a delicacy. Ice cream ranks far higher than many "foods" in actual nutritive value.

Not just a Summer delicacy, ice cream is as well liked in Winter and other seasons as during the hot months. Ways of serving may vary, such as pouring hot fudges or sauces over the dessert in Winter and serving toppings of fresh fruit in Summer.

It was in the 1600s that a chef for Charles I of England concocted a frozen dessert. The king ordered the recipe kept secret, but in 1649, when Charles was beheaded, the "frozen milk" secret was revealed and wider use of the delicacy was started.

Local firms are joining the nation this week in featuring special dishes and preparations during National Ice Cream Week, May 15-21.

Ice cream, one of America's most popular desserts, is rapidly gaining more and more favor throughout the world, and many European nations now have their own large ice cream manufacturing firms.

In America, England and Scotland the delicacy is "ice cream" but in Austria it is "Gefroens"; in Italy, "Gelati"; Holland, "Roomijs"; France, "Creme Glace"; Germany, "Raume Eis", and Greece, "Tagoto."

Ice cream has been found valuable in the dietary of the sick and undernourished—not only because of food value but because people

Sheriff Destroys 30 Slot Machines

Thirty slot machines confiscated by the sheriff's office since November were destroyed here at the county jail. Witnesses to the "ceremony" were Sheriff James J. McGrath, on whose order the machines were destroyed; Harry Weeded, member of the grand jury; and Hugh Williams and Louis Lodi, deputy sheriffs.

According to the sheriff, $579.75 was taken from the machines, most of which were new.

Toastmasters Club Nominates Officers

At a meeting at which talks were given by Milum W. Tackitt, Mark Nesbit, Louis A. McAtee, Donald L. Bogie, Thomas W. Badley and Dr. Rollo O. La Berge, Redwood City Toastmasters heard a committee nominate the following officers, to be voted on next Monday evening: Clarence Holt for president; Fred A. Schmitz, vice president; James P. Hagan, secretary, and William Morrissey, sergeant-at-arms. Lewis Franklin was chairman of the meeting.

Roosevelt Endorses V.F.W. Buddy Poppy

THE WHITE HOUSE
WASHINGTON

Commander-in-Chief,
Veterans of Foreign Wars of the United States,
Washington, D.C.

My dear Commander:

Every orphan deserves a chance for happiness equal to that enjoyed by the average American child. This opportunity is given the orphans of veterans by the V. F. W. National Home at Eaton Rapids, Michigan, maintained by the Veterans of Foreign Wars of the United States.

Proceeds from the annual sale of Buddy Poppies make possible the maintenance of this orphanage. Buddy Poppies also offer a source of employment and relief for needy and disabled veterans in their home communities. For these two very real reasons, we all should wear Buddy Poppies on Memorial Day.

Very sincerely yours,

Franklin D. Roosevelt

Officers Named For Peninsula Publicity Unit

John P. Daley To Head Organization; New Plans Are Laid

Officers were elected and further plans made to advertise the Peninsula during the coming 1939 World's Fair when directors of "San Francisco Peninsula Inc." met at the Benjamin Franklin Hotel Monday.

Named as president was John P. Daley of Los Altos.

Other officers:

Vice presidents—David D. Bohannon and J. P. Crown of San Mateo.

Treasurer—John D. Bromfield, San Mateo.

Secretary—Granville Browning, secretary of the Burlingame Chamber of Commerce.

Assistant secretaries—Gilbert Keitle, San Mateo chamber secretary; Roscoe D. Wyatt, Redwood City chamber secretary; Joseph Donovan, Palo Alto chamber secretary.

Committees named included:

Finance committee—David D. Bohannon, chairman; Jack A. Lynch, Burlingame; T. J. Hallinan, Hillsborough.

Publicity committee—Publishers of newspapers in San Mateo County and Northern Santa Clara County.

Advertising committee—Sam H. Winklebleck, Redwood City, chairman; Harry Butler, San Mateo; W. M. Kelley, Palo Alto.

Educational committee—David Lamoreaux, chairman.

Elected as new directors were John Rutherdale, San Carlos; Charles Wheeler, Hillsborough; Tim Grigsby, Pescadero. They replace Merritt Hosmer of San Carlos, Prescott Scott of Hillsborough and Walter Moore of Pescadero, who were unable to serve.

MEMBERSHIP OPEN

Lewis C. Merrell of San Mateo and Cuthbert B. Currie of Redwood City were directed to proceed with action for incorporating the organization.

Membership in San Francisco Peninsula Inc. is open to the general public. There are no dues, nor can there be any assessments.

Directors plan to circulate membership petitions to secure backing of as many individual citizens in San Mateo and Santa Clara Counties as possible. Petitions are on file at chamber of commerce offices. One also is on file at the Redwood City Tribune office.

One of the first committees to meet is the advertising committee, which has been called into session Thursday afternoon to consider plans and a program.

FULL DIRECTORATE

The complete list of 25 directors for the group now includes:

John P. Daley, Los Altos; W. M. Kelley and M. I. Piers, Palo Alto; Walter Keene, Mountain View; David D. Bohannon, Richard McAllister, J. P. Crown, Harry Butler and John D. Bromfield, San Mateo; Frank Fetter and Tim Grigsby, Coastside; T. J. Hallinan and Charles Wheeler, Hillsborough; Mrs. Alice Slemons, Menlo Park; W. E. Pitschke, San Bruno; John Rutherdale, San Carlos; Andrew Hynding, South San Francisco; A. J. Gaggero, Daly City; Berniece Batterton, Belmont; Winfield Scott, Atherton; Henry Witte and Sam H. Winklebleck, Redwood City; U. S. Simonds Jr., Jack Lynch and David Lamoreaux, Burlingame.

S. C. County Papers Win High Legal Rate

SAN JOSE, May 17—Adopted today by the Santa Clara County Board of Supervisors was the rate of 50 cents a name and description as compensation for newspapers publishing Santa Clara County's delinquent tax lists.

The rate paid San Mateo County newspapers publishing similar material is 32½ cents.

DR. THOMPSON RECOVERING

SAN MATEO, May 18—Dr. C. V. Thompson of Pescadero, former chairman of the county board of supervisors, who was stricken ten days ago with pneumonia, was reported at Mills Memorial Hospital today to be recovering satisfactorily, although he will have to remain at the hospital for several more days.

MENLO PARK NEWS NOTES

W. H. Weeden is attending the Grand Parlor, Native Sons of the Golden West, as a delegate from Menlo Parlor. The sessions are being held in the San Jose Civic Auditorium.

Mrs. Carroll A. Devol is visiting relatives in New York.

Menlo Parlor, Native Daughters of the Golden West, held a very successful membership social Tuesday evening in the Masonic Hall at Menlo Park. California-born women and girls were guests.

President Louise Murray announced the following numbers: "Star Spangled Banner" and "I Love You California," by assembly; musical selections by Doris May Siversten and Catherine Neal, violins; Eleanor Holzworth, 'cello, and Mildred Lightbody, piano; tap dance and song by Frances McParland; tumbling act by Hara sisters; vocal solo by Louise Murray; whistling solo by Norma Guglielmoni; tap dance and song by Calvin Rothenberg. Games were played and refreshments served at tables decorated with Spring flowers.

Menlo Parlor will celebrate its 22nd anniversary with a dinner Thursday evening, May 26.

A large class of candidates will be initiated at the next meeting.

Robert Golder, a retired grocer of San Francisco, has come to Menlo Park to pass the remaining years of his life only a short distance from the place where he was born. His father, the late Louis Golder, conducted the first hotel in Menlo Park in the sixties. He owned the block where the firehouse is located and in the upper corner of the property, facing the railroad, was the hotel, demolished many years ago. It was here that Milton S. Latham J. C. Flood, John Sullivan and other millionaires of the seventies came for refreshments. Many years ago the Golder family moved to San Francisco where its members became prominent in business.

Joseph Reynolds was removed to the Community Hospital last week suffering an acute stomach ailment. He is recovering, although his illness at first was serious and alarming to his friends.

Fire Chief Thomas Cuff has been granted a year's leave of absence by the commissioners to go to Lewiston, Ida., to reorganize the fire department there. Mr. Cuff will leave June 15. Assistant Chief E. F. Hara will assume charge of the department during Cuff's absence. Mr. Cuff is rated one of the forecost chiefs in the state. His initial training was at Berkeley. He also saw service in the Panama Canal Zone.

J. Ohminus, who purchased the O'Keefe property some time ago, is erecting four stores on the rear of the property. The building in front will have to be dismantled when the widening of the highway starts. The owner is preparing for that event and will have his stores ready for his old tenants.

X-RAY FORETELLS TRIPLETS

OAKLAND, Calif. (AP)—Rudolph Kuhn was one father who was not taken by surprise when the birth of triplets was announced. The X-ray had foretold the event a month in advance.

First Grass Fires Call Out Department

The grass fire season appears to be on in Redwood City.

Local firemen were called twice Saturday, once in the late afternoon, once in the evening, to extinguish grass fires, the first of the season.

The first blaze, at 4 p.m., was near the county juvenile home on Broadway. The second, at 10:50 p.m., was on Brewster Ave. between Elwood and Fulton Sts.

In between, firemen were called to extinguish a rubbish fire behind the Sequoia High School garage, in which are kept the school buses. When firemen arrived at 6:10 p.m., Donald L. Bogie, dean of boys, had the fire subdued with an extinguisher. Firemen used a water hose to douse the smoking remnants.

First Program Here Recalled

How observance of Memorial Day began in Redwood City was recalled today as an invitation was given to the general public to attend this year's May 30 program, to be held in Sequoia Theater with Assemblyman Harrison W. Call delivering the memorial address.

"During the year 1880, Gen. George S. Evans Post, Grand Army of the Republic, was organized in Redwood City to carry out an order issued by their commander-in-chief, John A. Logan, designating May 30 'as a day for the purpose of decorating the graves of comrades who died in defense of their country'," explained Floyd D. Granger, United Veterans Council commander and chairman of the Memorial Day Committee.

"In memory of these men let us assemble on Monday, May 30, at 10 o'clock and join the nation in bowing our heads in deepest reverence. Because of them our lives are free, so let us dedicate this day to patriotism and give more thought to some definite plan for world peace. On this Memorial Day let us pledge ourselves anew to patriotic service and grasp with fearless hands the flag so nobly borne before and, like others, plant it always on the battlements of righteousness.

"Through the courtesy of the management of the Sequoia Fox Theater a suitable program has been arranged sacred to the honor of these men and women and we invite the citizens of the surrounding communities to join with us in observing this nationwide custom of memorializing their memory.

"Harrison W. Call, state assemblyman of this district, will deliver the memorial address.

"Following the theater services, there will be a colorful parade to the Union Cemetery on the Woodside Rd., where appropriate military and devotional rites will conclude the services."

Morrish and Tower Put on Fiesta Board

The board of supervisors Tuesday afternoon appointed two new members to the fiesta commission and reappointed four other members whose terms had expired.

Appointed were Floyd Tower, former grand jury foreman and onetime San Bruno city councilman, and J. Elmer Morrish, Redwood City banker. Reappointed were Martin Poss of San Mateo, Joseph H. Cunha of Half Moon Bay, Dr. Otto F. Westphal of Redwood City, and Ralph MacArthur of Daly City.

The sonnet originated in Italy in the 13th century and was adapted by English poets in the 16th century.

NEW EXCHANGE MEMBER

Lieut. Clement R. Baume, U.S.N., retired, was enrolled as a member of the Redwood City Exchange Club at its meeting Tuesday night. Pres. J. A. Buhler and Secty. Rollo La Berge gave reports of the state Exchange Club convention at San Diego.

PIGEON PROVES COURAGE

SACRAMENTO (AP) — A lone pigeon finished a 122-mile flight from Reno to this city. A snowstorm over the Sierra Nevada caused all the other 200 starters to turn back or seek shelter.

London's first fire brigade was established in 1791.

Rolph III To Join Local Eagles Lodge

A class of some eight candidates, including James Rolph III of Woodside and San Francisco, son of the late California governor and himself a candidate for lieutenant governor, will be initiated by Redwood City Eagles at their 8 o'clock meeting in the IOOF Hall Friday night.

The late Governor Rolph was a life member of the Eagles' Lodge in San Francisco. Young Rolph, now in Los Angeles, advised Secty. Paul E. Lowe of the local lodge that he would fly here for the initiation ceremony.

Several county officials are scheduled to be in attendance.

NOTICE OF SALE OF REAL ESTATE
No. 7827

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of MILES A. SHARKEY, Deceased.

NOTICE IS HEREBY GIVEN, that Newell F. Sharkey and Miles A. Sharkey, Jr., administrators of the estate of Miles A. Sharkey, deceased, will sell at private sale, in one parcel, to the highest bidder, upon the terms and conditions hereinafter mentioned, and subject to confirmation by said Superior Court, on or after Saturday, the 4th day of June, 1938, all the right, title, interest and estate of the said Miles A. Sharkey, deceased, at the time of his death, and all the right, title, and interest that the said estate has, by operation of law, or otherwise, acquired, other than or in addition to that of said deceased, at the time of his death, of, in and to that certain lot, piece, or parcel of land situate, lying and being in the county of San Mateo, State of California, and more particularly described as follows, to wit:

All of lots numbered seventeen (17) and eighteen (18) as designated on the map entitled "Map No. 1 of subdivision No. 2 of a portion of Wellesley Park, San Mateo Co., California," which map was filed in the office of the Recorder of the County of San Mateo, State of California, June 20, 1890, in Volume "B" of Maps, at page 46.

Terms and conditions of sale: Cash, in lawful money of the United States; ten (10) per cent of the purchase money to be paid at the time of sale; balance on confirmation of sale. Deeds and abstracts at the expense of the purchaser. The purchaser to assume the payment of, and take the property purchased by him subject to, all the state and county taxes, and all assessments of whatsoever name or nature, which are now or may become hereafter chargeable to or a lien against the property purchased by him.

All bids or offers must be in writing, and may be left at the offices of Messrs. O'Connell & O'Connell, attorneys for said administrators, at 860 Jefferson Ave., Redwood City, or may be delivered to said administrators personally, in said county of San Mateo, or may be filed in the office of the clerk of this court, at any time after the first publication of this notice and before the making of the sale.

Dated this 17th day of May, 1938.

Employment Day Observance Sunday

Next Sunday, May 22, will be Employment Day, established by proclamation of Governor Merriam and sponsored by the American Legion Employment Commission.

Backing the observance also are the California State Employment service and the U. S. Employment Service.

As part of a statewide campaign being conducted by the legion for all competent unemployed persons—veterans and non-veterans alike—special emphasis is being placed on the peculiar employment problems confronting those persons still in the prime of life and particularly equipped by reason of their experience, who because they are over 40 find themselves on the sidelines of industry, due to unjust and prejudicial age restrictions on the part of employers.

Legion posts and auxiliaries are uniting to support the special employment day programs to be held in churches.

LEGALS

Cuthbert B. Currie, Atty.
NOTICE OF TIME APPOINTED FOR PROBATE OF WILL
No. 7982

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

PROBATE

In the Matter of the Estate of PAUL CORBIN GALLEHER, also known as PAUL C. GALLEHER, Deceased.

NOTICE IS HEREBY GIVEN that Monday, the 23rd day of May A. D. 1938, at 10 o'clock a.m. of that day, and the Court Room—Probate Department No. 2 of said Court, at the Court House in Redwood City, in the County of San Mateo, State of California, have been appointed as the time and place for proving the will of PAUL CORBIN GALLEHER, also known as PAUL C. GALLEHER, deceased, and for hearing the application of CAROLINE McCULLOUGH GALLEHER for the issuance to her of Letters Testamentary thereon.

W. H. AUGUSTUS, Clerk.

Road Project Accord Made

Formal agreements between San Mateo County and the state for construction of 1.4 miles of the La Honda Rd. easterly from Woodruff Creek were signed Tuesday afternoon by the board of supervisors.

Less advantageous to the county than the original farm-to-market road proposal, the agreement asks the county to provide $38,000, construct a detour, clear the right-of-way, build all drainage structures, and pave the roadbed within two years. Total cost of the work will be $53,000.

Other business at yesterday's board session:

Requests that a game warden be appointed by the county were referred to the State Fish and Game Commission through the county executive.

Bayshore City's request for action on the Geneva Ave. widening project was referred to the engineer for cost estimates.

Leaves of absence were granted County Librarian Clara B. Dills until June 27, and to Supervisor H. H. Smith until June 7.

Protests on the Friendly Acres Drainage District project were put over to June 7.

Recommendations of the county engineer and executive on plans to eliminate pollution of Colma Creek by hog ranches were approved.

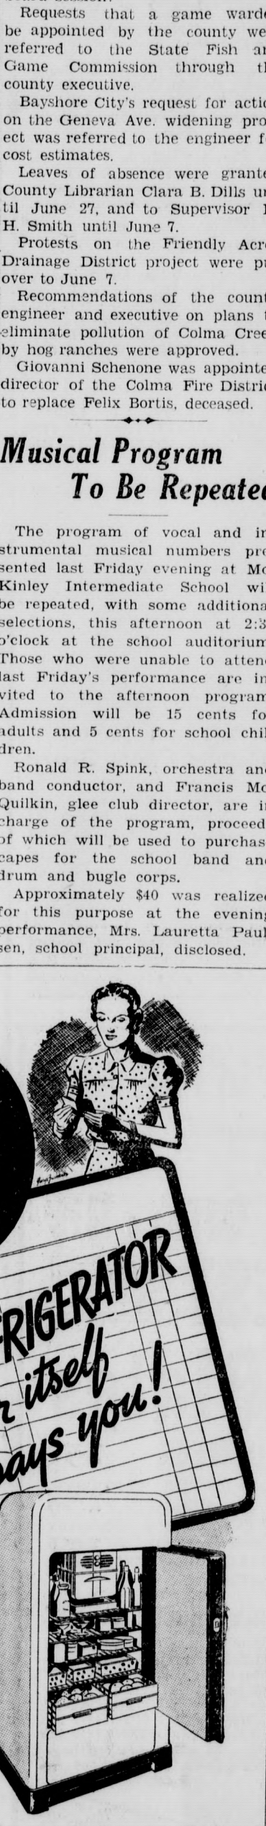
Giovanni Schenone was appointed director of the Colma Fire District to replace Felix Bortis, deceased.

Musical Program To Be Repeated

The program of vocal and instrumental musical numbers presented last Friday evening at McKinley Intermediate School will be repeated, with some additional selections, this afternoon at 2:30 o'clock at the school auditorium. Those who were unable to attend last Friday's performance are invited to the afternoon program. Admission will be 15 cents for adults and 5 cents for school children.

Ronald R. Spink, orchestra and band conductor, and Francis McQuilkin, glee club director, are in charge of the program, proceeds of which will be used to purchase capes for the school band and drum and bugle corps.

Approximately $40 was realized for this purpose at the evening performance, Mrs. Lauretta Paulsen, school principal, disclosed.



AVERAGE WEEKLY SAVINGS ON ELECTRIC REFRIGERATOR OWNERS FROM A NATIONWIDE SURVEY
68c weekly by preventing food losses.
50c by buying food bargain specials.
62c by buying bargain quantities.
73c by reducing cost of refrigeration.
$2.53 TOTAL WEEKLY SAVING
$10.96 a month saved... more than enough to meet small monthly payments.

Save on the food you buy for your home now and for years to come. Take advantage of the lower prices of fruits and vegetables this Spring and buy in quantity and keep them fresh in an Electric Refrigerator. Each day your Electric Refrigerator will save you money. Month after month these savings will pay for your refrigerator and then begin to pay you.

Journalism Students Visit S. F. Newspaper

The McKinley Intermediate School journalism class taught by Ben Leese made a supervised trip to San Francisco Monday to visit the office of the Call-Bulletin, where the pupils were shown the various steps through which a metropolitan newspaper passes in the process of publication. The trip was arranged by Pat Frane, whose daughter, Patricia, is a member of the class. After a tour of the newspaper plant, the 17 pupils in the group were served ice cream and cake in Ann Welcome's department. They visited also the Coit Tower and Fleishhacker Zoo.

John P. Duffy Dies At San Mateo Home

SAN MATEO, May 18—John P. Duffy, well-known Peninsulan and former manager of a Belmont sanitarium, died at his home in San Mateo today. He had been in failing health for some time.

Requiem mass will be celebrated Saturday morning at St. Brigid's Church, San Francisco, followed by interment in Holy Cross Cemetery.

Mr. Duffy spent many years with the Southern Pacific and later the Peninsula Rapid Transit Co.

He leaves his wife, Mary Ellen, and a son, Benjamin.

The first grand jury in the American colonies met at Boston in 1635.

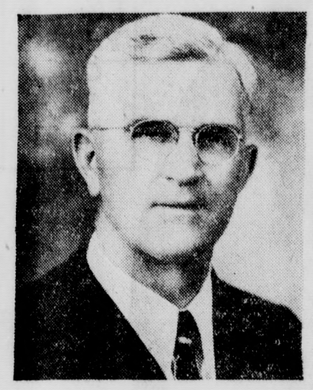
CENTENNIAL CONVENTION OF LUTHERAN SYNOD

Delegates representing 5,021 congregations and preaching-stations with a total of 1,305,500 baptized souls, will assemble June 15 to 25 at St. Louis, Missouri, for the 37th Delegate Convention of the Lutheran Synod of Missouri, Ohio and Other States, which will also mark the Centennial of its founding by a group of Lutherans who came to St. Louis by way of New Orleans. These Saxon immigrants, like the Pilgrim Fathers two centuries before, had left their homeland in search of religious freedom.

The colonists left Bremen in November, 1838, for the New World in five sailing vessels, the smallest of which was lost at sea with all on board. After landing at New Orleans between January 5, and January 20, 1839, they continued their journey up the Mississippi by four steamers, arriving at St. Louis, then a city of 16,000 inhabitants, on February 19, 1839. They were kindly received by the inhabitants.



THE REVEREND JOHN W. BEHNKEN, D.D.
National President of the Lutheran Synod

"LOG CABIN" COLLEGE BUILT

Amid unusual surroundings in a strange land, fighting malaria and poverty, performing hard pioneer labor, a group of these Lutherans settled in Altenburg, Perry County, Missouri, and with their own hands built a "log cabin," from which developed a Lutheran educational system consisting of eighteen colleges and seminaries with a property value estimated at $9,425,273.

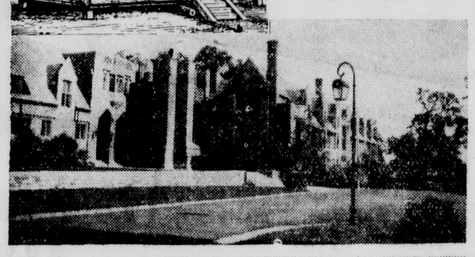
GROWTH OF LUTHERAN SYNOD

This small band of Lutheran "Pilgrim Fathers" has grown into a church body of 853,524 communicant members served by 3,235 pastors. The congregations maintain 1,380 Christian Day Schools, the enrollment in the Saturday and Sunday Schools is 249,229 pupils. The charitable institutions report property values as follows: Hospitals, $5,405,093; Orphanages, $762,092; Home-Finding Societies, $521,273; Homes for the Aged, $1,607,740; Social Service Centers, $312,500.

The largest and most extensive mission-field of the Missouri Synod is that of Home Missions in North America, through which new stations are founded and supported. In the past year, 1,650 stations with 1,028 workers, 148,743 souls, and 83,352 communicants were subsidized, wholly or in part to the amount of $815,687.

Mission work is done also in German, Spanish, Norwegian, Chinese, Polish, Slavish, among the deaf, American Indians, Jews, Immigrants, among the deaf-mutes at 213 stations by twenty missionaries, and in China, Africa, India and several countries of Europe. Literature is provided regularly for two thousand blind persons.

THE "LOG CABIN COLLEGE" 1838



VIEWS OF CONCORDIA SEMINARY, ST. LOUIS, MISSOURI, LARGEST THEOLOGICAL INSTITUTION OF ITS KIND IN AMERICA REPRESENTING AN INVESTMENT OF $2,850,000.

CONVENTION PROGRAM

Daily sessions will take place at the St. Louis City Auditorium. A huge mass meeting on Sunday, June 19, will initiate a series of local celebrations throughout the United States and Canada during 1938 and 1939. The centennial of the immigrants will be celebrated on the grounds of Concordia Seminary, and memorial exercises conducted in Trinity Lutheran Church, where Dr. Carl Ferdinand William Walther, first president of the Synod, was pastor.

2 MORE LETTERS OF INTEREST IN REDWOOD CITY

1 DEAR JOHNS-MANVILLE REDWOOD CITY PLANT—

If it isn't prying, my neighbor and I wonder if you (as a plant which seems to have succeeded) could explain to us why some businesses succeed and grow big while others seem to start out all right and then fail.

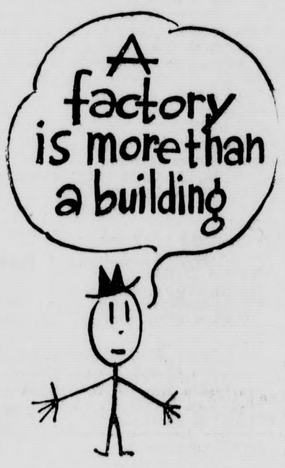
GEORGE A. CITIZEN

2 Dear George

It isn't prying.

But the question is a pretty hard one for *me* to answer. For, in talking about it, I may sound as if I am trying to toot my own horn.

However, I'm glad to give you my ideas of why I *think* some businesses succeed and others fail. A lot of them *do* fail, you know. Even in *good* times. As a matter of fact, the average life of businesses is only 7 years.



When a business *IS* a success, it doesn't mean that the *building* is a success, or that the *machinery* is a success, or that just the *manager and treasurer* are successful.

It means that *everything* about the business is succeeding . . . the manager, the salesmen, the men who handle the money, the men who plan the products and the *men in the plant* who *make* the products.

Business doesn't succeed just because it *is* business.

Factories don't prosper just because they *are* factories.

Businesses and factories are successful when everybody works together as a *team*. It's team work of this sort that makes it possible for me to produce better products that give more value to customers.

Two words may tell the difference between success or failure.

Those two words, it seems to me, are: *team work*.

Let's go back for a minute to the two men with a clothes wringer (making fireproof roofing) who started *my* company—Johns-Manville—back in a New York basement many years ago.

Everything was simple then.

Their team work produced so much business they had to expand. More men had to be hired. And the business was able to pay more wages. As years passed, the business continued to grow and I became a part of the company. I have grown until now I'm pretty big. And I hope to grow still bigger so that more and more employes can take part in my success with profit to themselves . . . with fewer and fewer layoffs forced on me.

One important reason, I believe, that I haven't failed, while some plants have failed, is because I have always tried to produce good things which people need and can afford to buy.

The men in my research laboratories are working every day to develop new and better things for me to make. I want to keep on selling my products to *more customers* and to keep on growing so I can put more people to work.

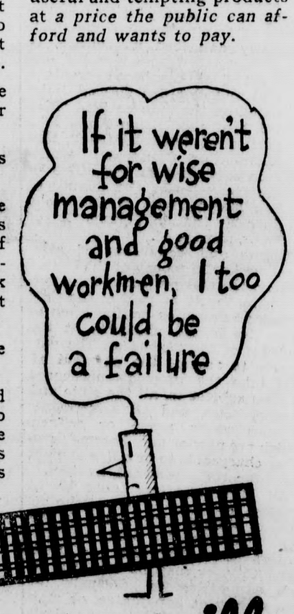
Because my managers have always had the courage to spend money in my research laboratories . . . and because my employes here are careful workers . . . my customers have learned that no factory making the same things I do can make them any better.

To put it in a nut shell, I believe this: no business can succeed without three things . . . intelligent management, the confidence of the investing public, and good workmen who know their jobs—all working together as a team.

Many a big factory is a headache to its owners.

I don't think I exaggerate when I say there are a lot of factories in this country today that you could have almost for the asking . . . if you would take the headaches that went with them. That's because they don't have team work.

It takes all these things to make a successful business: capital, labor, research, selling and management working together to make and market useful and tempting products at *a price the public can afford and wants to pay.*



—Johns-Manville
Redwood City Plant

BUS LINE MAY HAVE TO MAKE FARES MORE THAN FIVE CENTS

That the new Redwood City Bus System may be forced to increase its fare from 5 cents to a combination rate starting at 10 cents was indicated to the city council Monday by City Manager Dimmitt.

Explaining that Operator Walter Vandervort was not making expenses with the new system, which runs on half-hour schedule throughout the day in Redwood City, Dimmitt said the owner was considering boosting the fare. Single tickets, under a contemplated plan, would be 10 cents; round trips, 15 cents, and monthly commute books providing 30 2-way trips, $3.

So far, the bus has averaged carrying only about 100 passengers a day, whereas it needs 300 to break even, Dimmitt said.

Whether or not the fare is increased will depend upon how business gains in the next few weeks, it was explained.

Dimmitt said that Vandervort might alter his present routes somewhat if business did not pick up along the present ones.

J. C. Structure To Begin Soon

SAN MATEO, May 18—Construction will be under way soon on the new science building for San Mateo Junior College, to be located on Delaware St. near San Mateo High School. Contracts totaling $240,890, representing reductions over original bids, have been awarded by the board of trustees as follows:

Munson Bros., San Francisco, $161,815, for construction of the building. The company's original bid was $32,282 higher.

Pinkerton Co., San Francisco, for heating, $27,093, a $4207 reduction.

Harry B. Lee, Burlingame, plumbing, $34,520, a $1460 cut.

Butcher Electric Co., San Jose, electrical installations, $17,462, $9504 lower than this concern's original figure.

Many of the savings effected in the accepted contracts as compared with the originally-submitted bids were made possible by a decision on the part of the trustees to eliminate much of the interior trim in the basement and upper floor of the building.

Upon motion by Junior College Trustee A. S. W. Grundy, seconded by Mrs. Agnes Owen, the board voted unanimously that local labor be hired on the job wherever possible and that the prevailing wage scale of the San Mateo Building Trades Council be paid to workmen.

Use Tribune Classifieds for Results.

Varying Ideas Heard at Meet

Redwood City and other Peninsula alumni were among the 500 who attended the sixth annual alumni conference held at Stanford University over the past week-end and featured by two keynote speeches that were at odd variance politically.

The conference began on a note of pessimism. Dr. Edgar E. Robinson warned that Democracy is being imperiled by poor leadership, and its hopes for survival must lie in mass education, the American love of independence, and faith in "a governing power—whether we call it God, science, or truth."

In direct contrast to this criticism of the New Deal and its leaders was the closing message of Dean James M. Landis of Harvard Law School. Speaking with a background of experience gained as a former chairman of the Securities Exchange Commision, the 38-year-old dean, an intense and vivid individual, sharp-featured and with his blond hair thinning, justified government regulation as the only way to meet the new complexities of national life and predicted that the new judicial system that is sprouting up will be effective once its techniques develop.

As the former "brain truster" carried this defense of the New Deal into a faculty stronghold of Republicanism, beside him sat Dr. Ray Lyman Wilbur, president of the university who was secretary of the interior under President Hoover, staunch critic of the New Deal's regulatory "regimentation."

The banquet at Roble Gymnasium climaxed two days of conferences and lectures.

5-Day Term Given On Speeding Charge

Richard J. Nelson, Watsonville, was to start serving a five-day jail term today for driving 85 miles an hour on Bayshore Hwy. near Redwood City. Nelson was arrested May 5. He pleaded guilty May 13 and was sentenced to five days in jail, with a stay of execution until today.

"Old Ironsides," most famous of the frigates in the War of 1812, was built in the Boston navy yard in 1797.

LOCAL WOMAN IS INJURED

Mrs. Anna Hoffman, Rt. 2, Box 2805, Redwood City, was injured Wednesday in an automobile accident on Hillside Blvd. in Lawndale. Her car and one driven by Miss Rena Giffra, 28, daughter of a South San Francisco merchant, collided. Mrs. Hoffman is in Villa Sanatorium, Colma, recovering from shock and bruises. Doctors said she would be able to return to her home tomorrow.

KIWANIANS PLAN PARLEY

Headed by Presidents Frank Bloom and A. H. Sagehorn, who sat at the speakers' table, 30 members of the Burlingame-San Mateo and Redwood City Kiwanis Club attended a division meeting Tuesday night at the Union League Club, San Francisco, and heard plans for the International Convention which is expected to draw some 7000 Kiwanians to the Bay Area the last week in June.

FOUR HELD FOR L. A.

Four of six Los Angeles youths arrested in a stolen car after a long chase by state highway patrol officers Tuesday afternoon were held at the county jail today for Los Angeles authorities. One of the youths, Herbert R. Ash, 20, an usher, had a gun in his possession. Teletype advices from Los Angeles said the weapon had been stolen there. The other two boys, hitchhikers, were released.

Confidence Game Perpetrator Given Prison Sentence

Mrs. Ella Van Why, Belmont divorcee accused of defrauding a number of persons in a barnacle-proof paint scheme, was sentenced to an indeterminate term in Tehachapi prison by Judge Frank C. Collier in the Los Angeles County Superior Court at Pasadena. She pleaded guilty to a charge of grand theft.

According to Asst. Dist. Atty. Daniel E. Sullivan, the San Mateo County complaint against Mrs. Van Why, charging her with five counts of grand theft from Dr. H. W. S. Hayes of Hillsborough, superintendent of the Community Hospital, probably will be "pigeon holed" until she has served her sentence.

YOUTH SENT TO PRESTON

Harold Thompson, Redwood City youth charged with forging a check and stealing an automobile, was denied probation here and sentenced to two years at Preston Reform School by Judge A. R. Cotton Monday.

Georgetown is the latest eastern university to take up sailing as a semi-varsity sport. Arrangements are being made to enter two-man crews in several regattas.

Lack of Water From City Fails To Deter Group

Residents in Southend Tract Ask Vote On Joining R. C.

Residents of Friendly Acres will have an opportunity to vote soon on whether or not they wish their 232-acre tract, located on Bayshore Hwy. just south of Redwood City, annexed to the City of Redwood City.

Following a discussion which occupied a good share of the four hours the board was in session prior to adjournment as the hands of the Firehouse Auditorium clock were together at the midnight hour, the city council Monday night set June 6 at 8 p.m. as the date for a public hearing on the question of calling an annexation election.

At that time, objections to the election—in writing only—will be considered, if there are any. Objections may be made only by property owners from the district. Then the council will decide whether or not to call the election, which would be held as soon as permitted by law.

40 ATTEND MEETING

Council action in calling the hearing followed the taking of a rising vote of 30 of the 40 residents of the tract who had gathered for the session—unique in developments. The vote showed that 27 persons would vote for the annexation; 3 would vote against. There are about 90 registered voters in the area.

Opposition to annexation from within the tract comes mainly from the fact the City of Redwood City will be unable to furnish water to the residents—for the present at least. This was evidenced when City Manager C. L. Dimmitt read an offer from Owner Clyde Henry to sell his Friendly Acres Water System—for $18,500!. This amount, the council did not hesitate to say, could not be paid by the city if it hoped to realize a return on its investment.

The value, in opinion of councilmen as expressed by Paul A. McCarthy, is far more than was paid by the owner for it, yet not more than it would cost to replace it.

URGE ANNEXATION STEPS

Residents of Friendly Acres, led by B. J. Smith and T. G. Peterson, urged the council to take the necessary steps to put annexation machinery in motion regardless of the fact the area might not secure reduction in water rates through city distribution. Hetch Hetchy water is now supplied, but at rates much higher than those paid by Redwood City residents.

"Would the council continue to work to get us city distribution of water?" Peterson asked.

Councilmen expressed themselves individually as being willing to do so.

Peterson said he had contacted 43 registered voters the day before, and that 42 had said they would vote to annex regardless of the water question.

Forest Emerson, one of the three who later indicated he would oppose annexation, declared, however, that he was afraid "the water system might be forgotten by a council in the future."

A number of other matters were then clarified, including the fact that the council had not initiated the move, but that it had come from Friendly Acres itself; and that annexation would not bring obligation on Friendly Acres to aid in paying off present bonded indebtedness of the city, so that the tax rate would be only 70 to 75 cents, compared with a rate of $1.05 or so within the city.

Finally, when the council appeared ready to delay the annexation move until the next meeting June 6, so that a new petition might be prepared to see if residents of the district were still sufficiently of a mind to join Redwood City to justify expense of an election, Peterson urged that names on the petition already filed be read so those present could say whether or not they still favored annexation. This brought 24 "in favor" and 3 "not in favor" replies.

In addition, three others who said their names were not on the petition, insisted they would be in favor also.

As a result, with Councilman Evans A. Fletcher making the motion and William Hohn seconding, the council voted unanimously to set the date for the hearing. City Attorney Albert Mansfield said that at the hearing—at the next meeting of the council—a date could be set for the election.

How to get the water system for the city so that the municipality may distribute water there remained unsettled. To build a competing system would cost as much as the purchase of the existing one. Councilmen seemed to hope that eventually a lower price could be obtained from Owner Henry.

World Fair Ticket Committee Named

The local committee to handle the "Be a '39er" campaign—involving sale of season tickets for the Golden Gate International Exposition to be held on Treasure Island, San Francisco Bay, next year—was announced Monday.

James P. Hagan, Bank of America manager, will head the committee. Assisting him will be managers of the other three banks, J. Elmer Morrish of the First National; Carl E. Ward of the American Trust, and J. A. Buhler, of the California-Broadway Branch, Bank of America, and Sam H. Winklebleck, publisher of the Tribune; County Manager E. A. Rolison, City Manager C. L. Dimmitt, County Assessor Daniel Flynn, and Mayor Louis C. Christensen.

The sale of tickets will be held from June 1 to 18. Tickets are of two types: book of 12 transferable $5; season, non-transferable passes, $20. Single tickets to the fair are to be 50 cents.

N.F.O. Housewife Is Burned As Gas In Oven Explodes

Mrs. Clara Woolley of 322B Sixth Ave., North Fair Oaks was recovering in Community Hospital at San Mateo today from first degree burns suffered yesterday afternoon at her home.

Redwood City firemen, who rendered first aid, said they learned that Mrs. Woolley was burned when accumulated gas exploded as she attempted to light the oven of her kitchen stove.

She was burned on the face, neck and arms.

Membership in the British Order of Merit is limited to 24 persons.

Stolen Car Deserted Near Police Station

Six minutes after a report went over the Redwood City police radio Tuesday that the car of J. F. Archibald had been stolen from its parking space on Main St. near the Del Monte Hotel, last night, the car was found minus its keys, across the street from the police station. Police reported today they had not apprehended the thief as yet.

WIDOW ASKS BORTIS ESTATE

Petition for letters of administration in the $11,500 estate of Felix E. Bortis, San Mateo County planning commissioner who died May 12, was on file in superior court today by his widow, Alvina M. Bortis, 37, who gave her address as 450 Moraga St., San Francisco. According to the petition, no will has been found. Heirs listed in the petition were the widow and a daughter, June, aged 12.
